

Enrolment Scheme Procedures

Enrolment at Swanson School is subject to the following criteria:

1. Any student who resides within the defined *Home Zone*, as detailed on the map which is attached to this scheme (available from the school for inspection) is guaranteed a place at Swanson School.
2. Each year the Board of Trustees will determine which Out-of-Zone priority groups will be considered for enrolment.

The Board of Trustees has decided there will be no available spaces for out-of-zone enrolments in 2019.

Proof of residence will be required as evidence of permanent address e.g. power bill, rates bill, etc.

If places are available, *Out-of-Zone* enrolments may be accepted in the following order:

1. Siblings of students currently enrolled at Swanson School.
2. Children of Board employees or Board members.
3. Siblings of students formerly enrolled at Swanson School.
4. Children of students formerly enrolled at Swanson School.
5. All other applicants.

Applicants seeking priority status may be required to give proof of relationship.
